Sayfa No	

	Amoxicillin sodium / clavulanic acid	Bendamustine hydrochloride	Bleomycin sulfate	Bortezomib	Cabazitaxel	Carboplatin	Cetuximab	Cisplatin	Cyclophosphamide	Dacarbazine	Docetaxel	Doxorubicin hydrochloride	Epirubicin hydrochloride	Etoposide	Fluorouracil	Folinate calcium	Gemcitabine hydrochloride	Ifosfamide	Irinotecan	Levofolinate calcium	Mesna	Methotrexate sodium	Mitoxantrone dihydrochloride	Oxaliplatin	Paclitaxel	Panitumumab	Pertuzumab	Rituximab	Topotecan	Trastuzumab	Trastuzumab emtansine	Vinblastine sulfate	Vincristine sulfate	Vinorelbine tartrate
Amoxicillin sodium / clavulanic acid																																		
Bendamustine hydrochloride																																		
Bleomycin sulfate								X																										
Bortezomib																																		
Cabazitaxel																																		
Carboplatin															X						X													
Cetuximab																																		
Cisplatin			X												X						X				X							X	X	
Cyclophosphamide																																		
Dacarbazine																																		
Docetaxel																																		
Doxorubicin hydrochloride															X																			
Epirubicin hydrochloride																			X		X													
Etoposide																																		
Fluorouracil						X		X				X				X			X	X		X		X					X				X
Folinate calcium															X																			
Gemcitabine hydrochloride																			X			X												
Ifosfamide																						X												
Irinotecan													X		X		X																	
Levofolinate calcium															X																			
Mesna						X		X					X											X										
Methotrexate sodium															X		X	X																
Mitoxantrone dihydrochloride																																		
Oxaliplatin															X						X													
Paclitaxel								X															X											
Panitumumab																																		
Pertuzumab																																		
Rituximab																																		
Topotecan															X																			
Trastuzumab																																		
Trastuzumab emtansine																																		
Vinblastine sulfate								X																										
Vincristine sulfate								X																										
Vinorelbine tartrate															X
